1. Introduction

This project was brought about by BJP Intellectual Cell State Co Convenor Yuvraj Gokul to help Vinod, a resident of Kilimanoor, Thiruvananthapuram to help complete his house renovation. On September 30, 2024, based on the petition received to SresthaBharath, Vinod's condition and needs were checked with the help of BJP workers in Thiruvananthapuram and it was ascertained that his services were essential to fix a leaky roof.

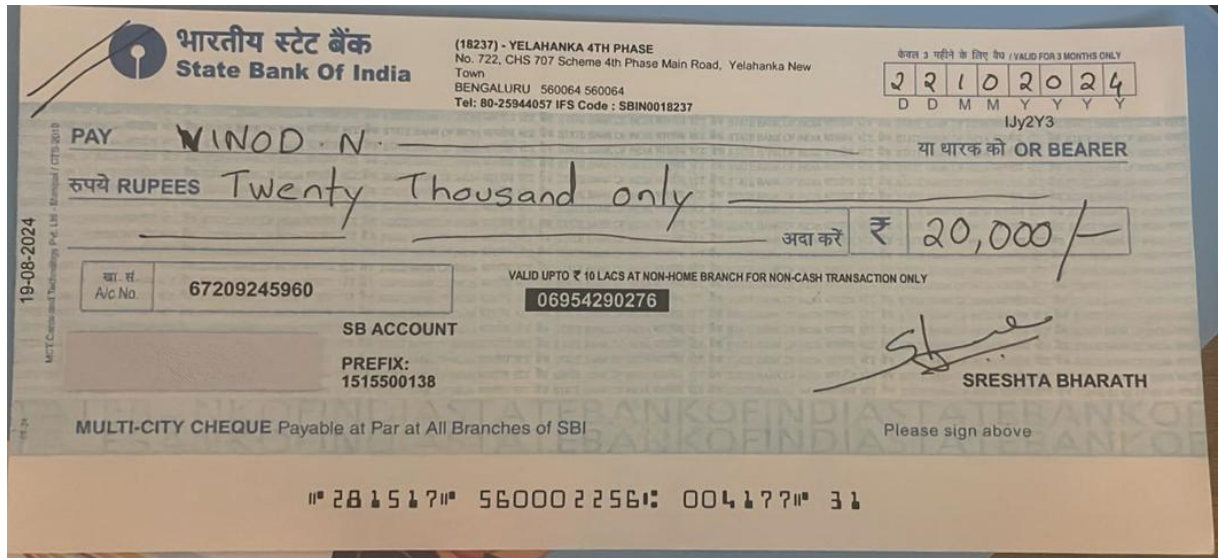

2. Aim

To provide some financial assistance to Vinod to help fix his house's leaky roof. This work exemplifies the high standards of social service of Shrestha Bharata. At the same time, this help brings great relief in the life of the person and gives confidence and support to the society. We understood that having a leaky roof is not conducive for the family as well as health issues that could follow. With the completion of this project, he is expected to experience happiness and security. This experience will lead to many projects that will inspire SresthaBharath to develop and support community service activities.

3. Contribution by SreshtaBharath

A cheque of ₹20,000 was presented to Vinod to contribute towards his house building on the 22nd October 2024.
